President's Message

Error!

It's hard to believe our club is celebrating it's 45th year. A long tradition of excellence precedes us, and we hope to continue this tradition. Each year poses new challenges, not only to our skaters but to all of us who want to make our club the best it can be. Your input and feedback are important. All members are invited (and encouraged!) to attend the club's board meetings. Check the schedule of upcoming events in this newsletter for the date of our next meeting. We also hope to eventually have this information on our web site, www.bhamfsc.com.

We have some wonderful members serving on our board this year who are working towards offering a variety of beneficial activities and events to all our skaters. However, your involvement is crucial to our club's success. There will be many opportunities for involvement this year (Sectionals, Club Nights, test sessions, and a basic skills competition – just to name a few), so please take advantage of these opportunities. The only way we can grow and improve is by working together. I know if we do that – this will be our best year yet!

A list of our recently elected board members is included in this newsletter. Please contact any of them if you have suggestions or comments.

Please make an effort to attend the club's upcoming social events mentioned in this newsletter. It's important for members to get to know each other and get connected in order to strengthen the club (and just to have a little fun with each other!).

I look forward to seeing or meeting you soon!

Sincerely,
Jennifer Kenski

The BFSC would like to wish Alex Darnell a speedy recovery. He recently had surgery on his wrist and we hope he heals quickly!!!!
