

BFSC Consignment Sale**

Sale Date: Saturday, August 14, 2010

Sale Time: 9:00 am – 11:00 am

This sale is a fundraiser for the Birmingham Figure Skating Club. **Thirty percent (30%)** of all proceeds will go to the BFSC. Checks will be mailed to consigners within two weeks of the sale. When checking items in, please insure the BFSC has correct payee and mailing information. Instructions for the sale are as follows:

- Bring a Self-addressed stamped envelope for the BFSC to use to mail your proceeds.
- Bring a written/typed list of all items that you are bringing for the consignment sale. This will be returned to you with sold items marked.
- Attach a 3X5 inch index card with your name, item size, item description, and item price to each item (see example below).
 - Secure the index card to the item with a medium or large safety pin.
- Place a piece of masking tape with your name and price on it inside the item. (**This is very important** and will serve as a backup in the event the original tag is misplaced. Tags often come off during the trying on process.)
- All garments must be placed on hangers.
- All small items such as gloves, soakers, tights, and guards, must be placed in a Ziploc bag with the index card inside, description facing outward.
- **It is preferred that items be dropped off on Saturday, August 14 prior to the beginning of the sale. Volunteers will be at the rink at 8:00am to receive items.** If you are unable to drop off items the day of the sale, please contact either Angie Batchelor or Tracy Spradling (see contact info below) to make other arrangements.
- **Please pick up any unsold items at the conclusion of the sale (11:00 am).**
- For questions, contact Angie Batchelor (angie@technology-america.com / 987-8864) or Tracy Spradling (sprad5@bellsouth.net / 987-4634).
